

April 22, 2021: For Immediate Release

## **ᑭᐱᐱᐱ- Wildfire Fire On-Reserve**

Cranbrook, BC – On Thursday April 22, 2021, at approximately 11:00 am high winds caused down power lines that sparked a grass fire within the immediate vicinity of several community homes. The City of Cranbrook Fire and Emergency Services quickly responded to the fire and the BC Wildfire crews were called in. As a precaution some homes were evacuated.

The fire is now assumed to be contained but crews will remain on the scene to monitor the situation and no homes were lost in the fire.

The community wishes to thank the City of Cranbrook Fire and Emergency Services, BC Wildfire, Cranbrook RCMP, BC Emergency Health Services and BC Hydro for their quick response and containment of the situation.
