Paģam Pakaģ‡aPha‡ (Wetland) Restoration

The ?aqam Lands department has held multiple Wetland Restoration community engagement sessions and discussed the project with various community committees. Based on all the input and direction given, **Unnamed Wetland** will be excavated starting on **October 16th** and will be completed by **November 1st.** The deep test holes at Stink Lake will also be filled in. Fiorentino Bros Contracting Ltd. will be onsite with the heavy equipment and Rewilding Water and Earth will be onsite directing construction as well as visiting the other wetlands of interest for restoration to gather information for future planning.

Two ?aqamnik have been hired for the Cultural Advisor and Field Assistant positions and will be onsite. If you have any questions or concerns, please reach out to Skylar at snikkel@aqam.net or 778-761-3171.
